Amamath Yatra were strengthened this year in the light of past experience and inputs regarding the designs of the terrorists with the arrangements having been planned out after a series of high-level meetings. The quantum of security forces deployed for Yatra security this time was higher than last year. The functional and territorial jurisdictions and tasks of various forces and units as regards area domination and presence of the heights along the route, road opening parties (RoPs), escort duty, camp security, access control and manning of check posts, anti-sabotage checks etc. had been fixed in advance by the State Government. For the better coordination and planning of security arrangements for the Yatra 2001, an apex body was formed by the State Government consisting of all members of the Core Group of UHQ at Srinagar with Chief Executive Officer, Shrine Board and concerned DIGs and Brigadiers as special invitees. Security coordination groups for the Yatra had also been constituted at lower levels.

Probe on border lapses

1848. SHRI C. O. POULOSE: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether for sudden armed intrusion by Bangladesh Rifles, Government have since appointed a probe to fix responsibility on the BSF authorities manning the border for lapses, if any; and

(b) if so, what are their findings?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI I.D. SWAMI): (a) No, Sir. In the face of the unprovoked and unwarranted intrusion by the Bangladesh Rifles forces into the village of Pyrdiwah in the East Khasi Hills District, Mcghalaya along the India-Bangladesh border in April 2001, the BSF held it ground valiantly and acted in its best judgement. Therefore, there is no question of appointing a 'Probe' to fix responsibility on the BSF authorities manning the India-Bangladesh border.

(b) Docs not arise in view of the reply given above.
